

degraded

so

"It was a  
FIAT UNO.  
I loved  
that car ...  
I loved her.  
It was our  
first car

We drove to  
Roseberry  
Topping ...  
we could see  
it from the  
bottom of our  
street

The car lasted  
a couple of years.  
She stayed for  
twenty or so.  
I don't know  
why she left.

She was wearing  
we ended up rowing.  
I wanted  
to walk up it ...  
she was in  
Red or Deed  
Charlie Eye Boots  
we stopped rowing  
and had  
an ice cream

We went there  
loads over the  
gears, dragged  
the kids up it,  
walked the dogs  
but that was  
the first time  
in that  
old FIAT.

We didn't know  
the way so we  
just aimed R-H.  
When we got there  
she was laughing.  
We were at  
the Hill ...
